# THE COURSE

Thank you for choosing Palm Meadows as an option for your corporate golf day. Palm Meadows Golf Course at Carrara on the Gold Coast is centrally located within 15 minutes drive of Surfers Paradise and 10 minutes from Broadbeach.

Palm Meadows welcomes golfers of all standards.

The all weather golf course has 11 kilometres of golf cart paths around the fairways. Palm Meadows has a fleet of 72 club car electric golf carts, each with its own esky and latest gps technology.

The challenging 350 hectare course was designed by leading Australian golfer Graham Marsh. The par 72 measures 6319 metres off the championship tees. Water comes into play on 14 holes and there are 82 sand bunkers.

The first hole is recognised as one of the world's most challenging opening holes. Water runs the length of the hole on the left and the world famous bamboo curtain forms a barrier to the right.

Palm Meadows signature hole is the world famous 18th; it measures 523 metres from the championship tees. Players accept the challenge and decide how much of the right dogleg they want to cut off.

American golf digest rated Palm Meadows 18th in the world's top 500 holes.
